Re: *Catskill Mountainkeeper, Inc. v. FERC*, No. 16-345ag

Dear Ms. Wolfe:

I am writing to respond to the Notice of Agency Default in Filing Record issued on March 18, 2016 in the above-captioned case. On February 11, 2016, the Federal Energy Regulatory Commission filed, pursuant to Rule 17 of the Federal Rules of Appellate Procedure, the certified index of the agency record listing every record item in the challenged agency proceedings in FERC Docket Nos. CP13-499 and CP13-502. After receiving the default notice, I spoke with the Court's case manager who confirmed that the index of record, as filed, was sufficient and that FERC need not re-file the index of record in the related case, *Stop the Pipeline v. FERC*, No. 16-361 which has been consolidated with No. 16-345.

Respectfully submitted,

/s/ Karin L. Larson
